SECTION I – BACKGROUND, PURPOSE AND SCOPE OF SERVICES

A. Background

The federal government requires states to design and operate an employment and training companion program to the Supplemental Nutrition Assistance Program (SNAP). In Virginia, the program is known as SNAPET (SNAP Employment and Training). The program focuses on able bodied adults without dependents (ABAWD) who face severe barriers to employment including disabilities, chronic substance abuse, mental illness and previous incarceration. Additionally, the lack of workplace skills and illiteracy play a major part in preventing employment.

Program participation is voluntary as of January 1, 2012. However, those individuals who are not exempt from work registration and who have their benefits time-limited have an opportunity to extend SNAP by choosing to participate in the SNAPET program. Not participating can prevent SNAP recipients from receiving services that could help them find and keep employment.

In the City of Norfolk, over 10,000 single adults receive SNAP benefits. Since June 2014, there has been 244 people enrolled in SNAPET. Approximately 40% of SNAPET enrolled participants do not have a GED (General Equivalency Diploma) or a high school diploma. The majority of participants are single males who have children living in other households and have extremely vulnerable housing situations.

The SNAPET program offers the following component activities:

- Job Search
- Work Experience
- Education
- Vocational Training (**this is the only service being requested of this RFP**)
- Basic Employment Skills (Job Readiness)
- Job Retention Services, and
- SNAPET for Ex-offenders

B. Purpose / Agreement for Services

The City of Norfolk is soliciting proposals only for the vocational training programs which are to be offered to SNAPET clients. The awardees shall be contracted to provide training to meet the program's objectives by providing training opportunities to program participants. The purpose of the program is to help unemployed individuals receive job training which will help them find meaningful employment that will move them towards self-sufficiency.

C. Scope of Services:

Eligible SNAP recipients who volunteer for the SNAPET program will be assessed by NDHS and provided an individual plan of participation which outlines the sequence of component activities. SNAPET participants will be referred to vocational training by NDHS based on individual assessment of need to improve the participant's employability.

The successful offeror(s) shall provide job training (vocational training) opportunities for SNAPET clients which will aid clients to:

1. Obtain work experience and work skills necessary for self-sufficiency;
2. Contribute to the self-sufficiency of their families; and
3. Achieve economic independence.

Vocational training includes;

- Occupational assessment – An assessment of the client's interest and/or work place skills assessment (this is an optional assessment conducted by NDHS)
- Customized training – Specific training in in one particular field
- Institutional skills training – Community college or public schools adult education programs
- Upgrade training – Offers additional or enhanced certifications

As available, some vocational education and training may be offered on-line.

Participation will vary with the type of training provided. SNAPET program volunteers may be considered for vocational training if the training is needed in order to improve the participant's employability or advancement in the workforce. Most training programs shall be three to six months in duration. The participant shall spend 20 (minimum) to 30 hours per week in vocational training. The average cost per participant shall be \$1,384.66.

NDHS intends to work with numerous vocational training providers to enable SNAPET participants to be trained in a wide variety of fields. Examples of training programs include (but are not limited to);

- Culinary Arts
- Nursing Assistant
- Facilities Maintenance and Repair
- Beauty and Barber School
- Welding School
- Automotive Technology
- Tractor-Trailer Driving
- HVAC
- Hospitality
